

NYPD Meeting

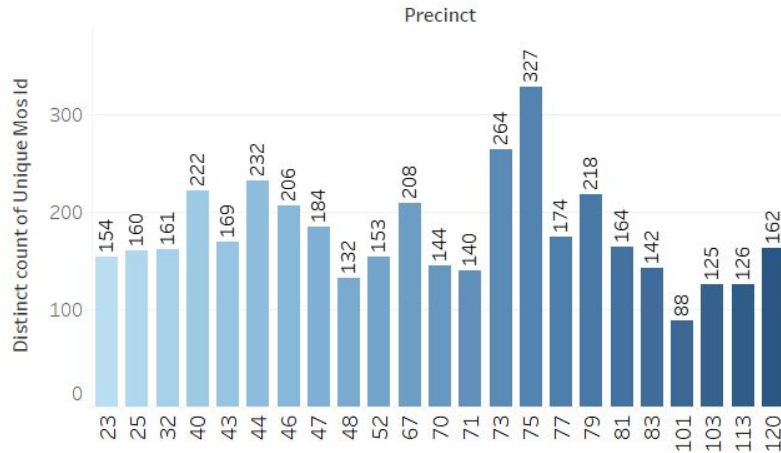

22nd Precinct

How NOT to become a statistic

Precinct and Complaints

Precinct and Cops

Precincts with more than 200 complaints

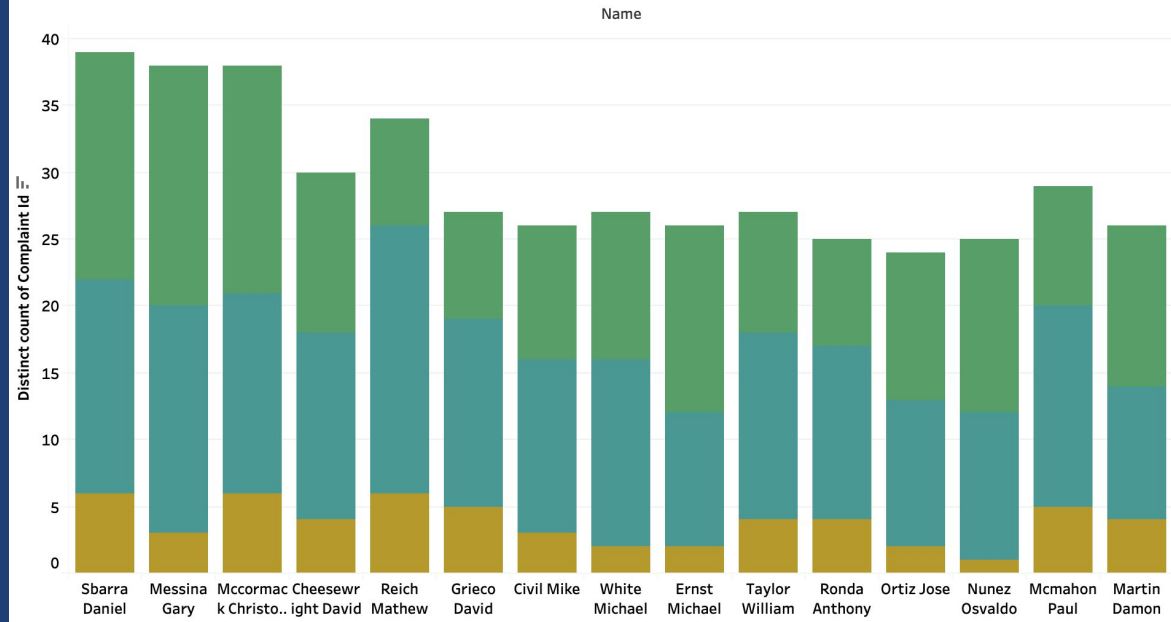

- Out of 125 precincts, 23 had more than 200 complaints
- Multiple complaints towards the same cops
- Most complaints are towards Precinct 75
- Close in proximity based on precinct number

Total Complaints for MOS by Complainant's Ethnicity

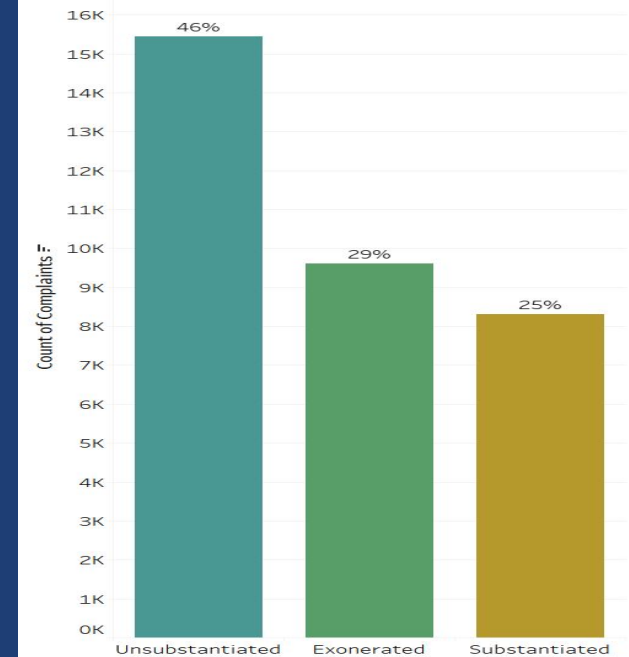

MOS Ethnicity	Black	Hispanic	White	Asian	American Indian
White	8,970	3,262	1,647	317	50
Hispanic	4,722	2,215	625	96	8
Black	2,846	709	380	58	4
Asian	558	236	129	61	2
American Indian	18	2	2		

- Diving deeper into the total complaints reported, it is clear that the group which identifies as Black, has suffered the most cases of misconduct by MOS of all ethnicities.
- With MOS who identify as White having the highest number of complaints by civilians of every ethnic group.

Police Officer's With Worst Records

Board Disposition

- On average investigation takes 10 months
- The officers with the worst record and the lack of punishment

- The number of unsubstantiated allegations is significantly high because NYPD did not hand over crucial evidence, such as footage from body-worn cameras.
